4 I don't think I mentioned that I was  
5 a bit disappointed to find that the earlier  
6 reports of the Kirk yards being used as an  
7 intermodal facility are being dropped in the  
8 current plans and my initial impression was that  
9 using the Kirk yards for an intermodal facility  
10 would have many economical advantages that might  
11 not be realized using it simply as a staging yard  
12 for assembling trains. And that is the addendum  
13 to my earlier comments. Thank you.
